### High Gas Prices Take Bite Out Of Meals On Wheels

March 9, 2012, 9:55 PM by Perry Groten

SIOUX FALLS, SD - The high price of fuel not only affects families and businesses, but non-profit agencies as well. Volunteer drivers who deliver food to low-income elderly people are looking for answers from members of Congress.

Meals On Wheels driver Gayle Sagmoe has a VIP riding shotgun on her route: South Dakota Congresswoman Kristi Noem.

- Highlights the impact of high gas prices
- Provides an opportunity to discuss how the Administration's policies are causing pain at the pump
- Brings attention to the impact the organization has on the community
